

THE CITY OF SAN DIEGO  
TO THE PARK AND RECREATION BOARD

---

DATE ISSUED: May 14, 2010 REPORT NO. 103  
ATTENTION: Park and Recreation Board Agenda of May 20, 2010  
SUBJECT: Fiscal Year 2011 Proposed Fee Schedule

SUMMARY

Issue – Should the Park and Recreation Board recommend approval to the City Council for the proposed fee changes to the Park and Recreation Department’s Fee Schedule (Fee Schedule)?

Director’s Recommendation – Recommend approval of the proposed fee changes.

Other Recommendations – None.

Fiscal Impact – The proposed fee revisions will result in an estimated annual increase in General Fund revenue of \$123,000.

Environmental – This action is exempt from CEQA pursuant to Section 15060 (c) (3) of State CEQA guidelines.

BACKGROUND

As part of the City’s effort to implement a comprehensive fee policy, the Park and Recreation Department has reviewed its Fee Schedule and is proposing several changes (Exhibit A). There are approximately 325 general fund fees (over 700 when discounts and non-resident rates are included). The Fee Schedule was last revised for FY 2010, although not all fees were changed at that time.

Total revised FY 2010 General Fund budget for Park and Recreation is \$84,426,134. Total revised General Fund revenue is \$29,843,493. Approximately \$5.8 million of this total is earned from user fees. Estimated overall direct expenses of the Department offset by user fees for all General Fund functions are approximately ten percent (excluding non-fee revenue). The

Department continues to operate efficiently to reduce costs (estimated budget reductions for the Department from FY 2009 through FY 2010 totaled \$10 million).

## DISCUSSION

Proposed fee changes were based on several factors including: Consumer Price Index (CPI) since the last fee revision (estimated at 0.5%); estimated cost recovery; and consistency improvements.

### Cost Recovery Discussion

Calculating the cost of service for a specific program or service is difficult for most Park and Recreation programs. Since multiple uses can occur for one facility, deriving costs for each service have not been possible. For example, landscaped areas are available for youth and adult sports, picnics, special events, and passive enjoyment. The Department is able to determine the estimated cost of maintaining a landscaped area; however, assigning those costs to each type of use (e.g., youth soccer games, non-resident rugby leagues, small weddings, or an inflatable) would require an extensive analysis that could only be provided through a complete cost of service study. For this reason, the Department reviews cost recovery on a program basis for most fees. Other considerations include direct and indirect costs, and fee waivers or reimbursements from other sources. Per the General Fund Fee Policy, the Department has identified the following cost recovery categories for most programs.

### Category 1 – Full Recovery

Park and Recreation Department has seven programs that are proposed for full cost recovery. Adult Outdoor Fitness Classes, Personal Trainers on Park Land is a new fee for this schedule. Costs are based on estimated FY 2011 direct costs and the current indirect rate. Total estimated annual budgeted revenue increase for Category 1 fees is \$33,850.

New fees proposed in Category 2 include:

Fee	Proposed Rate	Page # in Schedule	Description
Balboa Park Club Kitchen Rental	\$20 Per Hour Non-Profit \$30 per hour Non-Profit with Admission Charge \$40 Per Hour Non-Commercial \$60 Per Hour Commercial \$56 Per Hour Overtime	Page 7	Charge for kitchen rental when not used in conjunction with a room rental in the Balboa Park Club.

Fees proposed for miscellaneous adjustments in Category 2 include:

- Consumer Price Index Increase of 0.5%: Various rates were increased 0.5% per the change in the San Diego Consumer Price Index since the last fee revision. (Rounding will impact the final percent change proposed for each fee.)
- Youth League Reservations for Athletic Fields, Gymnasiums and Outdoor Courts (pages 1-3): These categories were revised to include only non-profit youth leagues. For-profit youth leagues will be charged hourly rates.
- Youth League Reservations for Lighted Fields (page 1): Policy for charging an hourly rate for youth league play for lights has been adjusted to reflect winter play. The hourly rate of lighted fields for youth league play should only be charged for use after 6 p.m.
- Youth Sports, Games, Practices, Clinics, Camps, Commercial Activities and Tournaments for Athletic Fields, Gymnasiums and Outdoor Courts (pages 1-3): Youth games, practices and for-profit leagues were added to these sections.
- Balboa Park Building Room Rentals (pages 6-12): Some rates were adjusted from a four hour minimum rental to a three hour minimum rental to achieve consistency in these rates.
- Municipal Gym Youth Athletic Use (page 10): Hourly rentals for athletic use for youth were revised to match rates at recreation centers.
- Instructional Camps on Park Land in Beaches and Bay Areas (page 12): Annual permit was revised to a quarterly permit and the daily rate was deleted.
- Picnic Shelter Reservation Fee (page 17): Various picnic shelter locations in Mission Bay will be available for reservations as of October 1, 2010.
- Low Income Fee Discount (page 20): This program will be modified from a 100% waiver of city fees for recreation programs to a 50% reduction. This was a recommendation from the City Auditor (Audit Report 09-017).

- Fees for the Recreation Council: Throughout the schedule various fees include a rate that is payable to Recreation Councils in addition to a City rate. This rate is generally applied to camps, clinics, tournaments, fundraising, promotional or commercial activities and was either a flat hourly rate or a percentage of the gross of the permitted activity. Because fees must be tied to the cost of providing services, the City will be discontinuing a charge based on the percentage of the gross. However, the City will continue to charge an additional hourly rate.

Since there are hundreds of fees, not all changes have been detailed in this report. Some fees are not changing since the CPI is not significant; for example, swimming facility admission and special equipment set-up fees. Mt. Hope Cemetery services will be reviewed separately for a possible proposal in calendar year 2011. Exhibit A lists all proposed fees and is attached.

#### ALTERNATIVES

1. Recommend the fee revisions with modifications.

## *Terms and Special Conditions*

### Additional Operating Hours for Recreation Centers

With the Departments' approval, Recreation Councils have the ability to pay for additional hours to operate their centers. Donations to Recreation Councils which are 501(c)(3) entities are encouraged. Other entities or individuals may also donate directly to the City for additional operating hours. When a specific location is not identified by the donor, the Park and Recreation Director will determine the location and time for the additional operating hours. Major increases in operating hours at sites may require an amount above the stated rate due to staffing configurations. For example, adding eight hours to a 40 hour per week site for an extended period will be reviewed by the Department to determine any changes in classifications or support needed.

### Athletic Events in Passive Areas

Use of all turf areas other than designated athletic areas for athletic activities, and athletic areas for passive activities should be avoided as much as possible. However, in some areas athletic fields are highly used and the use of passive park land is needed for athletic activities.

When determining whether a group falls under an athletic program fee or the ground use fee, the deciding factor is the type of activity to take place. For example, if a group requests use of a passive area for an athletic activity, you should use whatever fees are appropriate for that athletic activity. If a youth football league requests to use a passive area for a tournament, tournament fees will apply. Likewise, if a group wants to use an athletic field for a picnic, you will refer to the ground use fee.

### Athletic Fields

Athletic fields may be rented for a minimum of one hour if during normal hours of operation. If rental is during non-hours of operation, a two hour minimum rental is required.

A field damage surety bond may be required (\$200-\$500). Application and/or permit will contain information on cleaning deposits (\$100-\$300) or field damage surety bonds.

### Priority Use

The following priorities for athletic fields and gymnasiums have been established to provide opportunity for an array of sports play at facilities (D.I. 8-4):

Youth Softball and Baseball	February 1 through July 31
Youth Football, Rugby, Lacrosse & Soccer	August 1 through December 31
Youth Indoor Basketball	December 1 through March 31
Adult Softball, Baseball & Soccer	Mar. 1 through July 31 (Spring/Summer); Aug. 1 through Dec. 31 (Summer/Fall)
Adult Football, Rugby and Lacrosse	August 1 through December 31
Adult Indoor Basketball	November 1 through February 28 (Winter); May 1 through August 31 (Summer)
Adult Indoor Volleyball	September 1 through December 31

Youth leagues are given field priority until 6 p.m. Exceptions must be approved by the Department Director or his/her designee. Resident teams have first priority to participate in Department sponsored Citywide or community leagues using municipal athletic facilities. Non-resident teams may play in sponsored leagues if space is available. (D.I. 8-6)

Leagues which play at different sites are required to pay the league reservation fee once. Center Directors at sites collecting the fee should fax payment information to those Center Directors also hosting the league. League directors must contact staff at each site to assure availability and permit approval. However, payments to recreation councils are required at each site. For example, if an adult softball league has 10 teams on its league playing at both Robb Field and Morley Field, only 10 league reservation fees are required, payable at either site. If recreation council fees apply, the league must pay at both Robb Field and Morley Field.

When adult league play includes both lighted and unlighted hours, the Center Director may determine an appropriate split between lighted and unlighted rates. For example, if half of league games require lights, the Center Director may charge unlighted rates for half of the league teams and lighted rates for the remainder. The Center Director is not required to identify which teams pay the unlighted versus lighted rate; this is the responsibility of the league director.

FEE DESCRIPTION	PREVIOUS FEE	REVISED FEE Effective 7/15/10 (if not otherwise stated)
-----------------	--------------	---

### **Field Preparation**

Preparation of athletic fields is the responsibility of the league or organization. Bases will always be provided when those fields with base pegs are rented. They will not be provided for those fields without base pegs. It is the responsibility of the league and/or league director to provide lining for the field. Gypsum will not be provided by the Department to those groups renting the fields for leagues and tournaments. Storage availability for groups renting fields on a regular basis will be determined by the Center Director.

Only City power equipment will be allowed on the fields. Contractual use of power equipment by renters will not be allowed unless approved by the Deputy Director. Only City staff, during their shift, may use power equipment on the fields. (Exceptions will be made for groups with Preferential Non-Exclusive Use and Occupancy Permits.)

### **Youth League Reservations**

If a youth league has teams that do not use City of San Diego fields, the league director may petition to the Center Director to adjust the league reservation fee to exclude those teams that use fields exclusively in other jurisdictions from paying the league reservation fee for that season. The Center Director must be satisfied that sufficient documentation is provided by the league director to substantiate the claim.

### **Day Camp Fees**

Day camp fees may be prorated only if a formal drop-in program exists (i.e., participants are not required to sign up for a session and can attend daily). Fees cannot be prorated for partial attendance of a day or session if daily drop-ins are not permitted.

### **Disabled Rates**

Disabled rates, where applicable, are offered for persons with disabilities. Proof of disability (doctor slip, disabled parking placard) may be required. Disabled group rates (when listed) apply to recreation activities in which 75% of the participants are disabled and are City of San Diego residents. Non-Hours of Operation Fee is not discounted for activities for seniors or persons with disabilities.

### **Fiesta Island Youth Camp**

Specific camp regulations such as maximum persons per site and number of sites contained within a campsite cluster are available at the Developed Regional Parks Division's Permit Center.

### **Government Use of Facilities**

The Park and Recreation Director may reduce or waive fees for the use of facilities by other government agencies for official government business. Only one waiver or reduction is granted per agency per fiscal year. Requests for waivers or discounts must be submitted in writing no later than fifteen working days before facility use.

### **Ground Use Fee**

Discounted activities are generally defined as activities with over 75% attending under the age of 16, resident disabled or senior. Groups must provide documentation that is acceptable to the Center Director/Permit Center or Park Manager to receive the discount.

Daily rate refers to a 24 hour period, usually beginning at 8 a.m. No prorating allowed.

Leaseholders in Mission Bay are not required to pay this fee when use is contiguous to their leasehold and the City is to receive a percentage of revenues per their lease agreement for the scheduled activity on park land.

Runs/walks are charged the Ground Use Fee if using park land as a staging area, including starting, resting or "pit" stops and ending points. If this type of event is only passing through park land, no fee is required.

Opening day events for youth sports leagues and other special events for such groups are required to pay the Ground Use Fee only if their event requires more areas than normally used during games. For example, if picnic shelters and passive areas are needed for set-up, registration, etc., which are not normally used for regular season games, then the Ground Use Fee is required.

Set-up and tear-down days should be considered within the permit period. If an event of 500 people is to take place on Saturday, with set-up on Friday with only 40 people, you should charge for both days—a higher rate on Saturday based on 500 persons and a lower rate on Friday (use the 50-150 persons category).

Admission fees include those events that charge for booth rentals or participant entry fees.

**Payment of a Ground Use Fee supersedes the requirement for a Special Equipment Set-Up Fee.**

**Effective 7/15/10 (if not otherwise stated)****Joint Use Locations - Clarification of Charges for Public School Districts**

If a public school district that has a joint use agreement is requesting the use of an athletic field, outdoor court or gymnasium that is one of their joint use sites, there is no charge.

For Park and Recreation sites not under a joint use agreement, a fee must be collected for use by a public school. For public school use of non-joint use park land for athletic activities, see pages 1 through 3. For public school use of non-joint use park land for non-athletic activities, see page 15 for Ground Use Fees. For non-athletic activities, school groups under 50 persons are not charged the Ground Use Fee. Special Equipment Set-Up Fee and/or Picnic Shelter Reservation Fee may be required depending on the event requirements.

A list of all existing joint use sites is included as a reference. Staff should apply the "no charge" requirement at these sites when requested by the appropriate school district for the use of the site. For copies of agreements, contact Division Administrative offices.

**Low Income Fee Discount Waivers (Effective September 7, 2010)**

City fees for City-conducted Park and Recreation Department recreation programs and the City surcharge on contractual recreation programs conducted by Recreation Councils are reduced by 50% waived for individuals from families whose gross income in the past twelve months falls within the Lower Living Standard Income Level. The limits for 2009 are:

<u>Size of Family</u>	<u>Annual Income</u>
1	\$15,426
2	\$25,270
3	\$34,696
4	\$42,827
5	\$50,541
6	\$59,110
More than 6	Each additional family member add \$8,569

Completion of a fee waiver form is required for each activity for which a fee reduction waiver is requested. A copy of the applicant's current Internal Revenue Service (IRS) tax return shall be used to verify income. A Social Security Award-Benefit letter or a Social Security Proof on Income letter may also be used for verification of income. Not all Park and Recreation Department programs are eligible for low income fee discounts waivers. (D.I. 8-2)

**Non-Hours of Operation**

The term "Non-Hours of Operation Fee" used throughout this schedule is typically added to the basic fee (even if no charge) when facilities are reserved outside the normal hours of operation when staff is required on site. Each facility may have its own unique hours of operation. There is a two hour minimum charge if non-hours of operation are not contiguous with normal hours. Prorating for partial hours is not allowed. If two or more groups are scheduled to use a facility during non-hours of operation, the surcharge should be split among the groups where possible (except if additional staffing is increased to accommodate all rentals).

Payment of Non-Hours of Operation Fee does not provide open access to an entire facility to the public. Groups or individuals that desire full public access to a recreation center will be required to pay the Additional Operating Hours for Recreation Centers fee. Department activities are exempt from paying the Non-Hours of Operation Fee. Non-Hours of Operation Fee is not discounted for activities for seniors or persons with disabilities and is not increased for non-residents. Recreation Council activities (e.g., day camps, special events, etc.) are not required to pay Non-Hours of Operation if the activity is co-sponsored by the Department and recreation staff is available to be on-site.

Effective date of revised non-hours of operation fees should be July 15, 2010, unless listed under a fee category that has another effective date listed.

**Non-Profit Fee Categories**

In general, groups qualify for the non-profit fee categories if they are an approved 501 organization with current status. City staff may request documentation from groups to qualify for these rates. Groups that cannot show sufficient documentation will be referred to other appropriate fee categories with the area requested (e.g., non-commercial or commercial status).

### **Outdoor Courts**

Scheduled use precludes other non-scheduled users from utilizing the designated court. Staff may need to post the site prior to a reserved event to discourage unscheduled users. Rental may not be prorated for partial use of a court or less than one hour use. Cancellations within 10 days of event forfeit the rental fee.

### **Permits**

Permits are not issued until payment is received. Some permits may require insurance, cleaning deposits and/or damage deposits. Groups may be invoiced for associated cost recoveries if deposits are not charged or sufficient to cover all damage.

### **Promotional Opportunities**

The Park and Recreation Department encourages the use of facilities for special events, and appreciates the support from our users. Permits should be reviewed by the Center Director to determine if it is appropriate to request the permittee to formally acknowledge the Department's cooperation or participation. Acknowledgment could be part of the event's flyers, promotional materials, public service announcements, banners, signage, or verbal announcements during the event. The Department can supply camera ready art work for Park and Recreation logos.

### **Recreation Center Use**

Amounts charged for room use by the Voting Registrar should not exceed their legal limit for this expense. To assist in the determination of non-profit status, request additional information from the user before approving the permit. This may include copies of their bylaws, tax status, flyers, and new member recruitment.

### **Resident Group Rates**

Resident group rates (when listed) apply when 75% of the group is City of San Diego residents, military personnel stationed in San Diego, or the sponsoring company is within the City limits.

### **Safe and Playable Surfaces**

Field and court surfaces must be safe and playable for rentals. A surface is considered safe and playable if the following conditions are met:

- Litter, debris, and glass should be removed.

- Areas should be checked daily for any safety hazards such as missing sprinkler heads, broken risers, and protruding caps.

- Fences, gates and backstops should be inspected. Repairs should be requested if necessary.

- Standing water should be removed with the use of pumps, scoops, etc., in rainy conditions.

#### **Infield Surfaces**

Check home plate, base anchors, bases and pitching rubbers daily to ensure they are properly placed and in good condition.

These items should be maintained regularly and replaced or repaired as needed. Infield should be as level as possible. Holes, trenches, etc., should be filled in and packed daily. Infield should be "heavy dragged" at least 2 times a week, and "broom or light dragged" as needed. The infield should be watered as needed. (Hoses with automatic shut-off devices should be used to avoid wasting water.) The crown or hump at the point where the infield dirt and outfield grass meet should be checked periodically.

### **Senior Group Rates**

Senior group rates (when listed) apply to recreation activities in which 75% of the participants are 62 years of age or older and are City of San Diego residents. Non-Hours of Operation Fee is not discounted for activities for seniors or persons with disabilities.

### **Special Equipment Set Up**

There is no charge for outdoor volleyball nets, portable toilets, tables or chairs (except in Mission Bay, Shoreline and Balboa Parks); however, for large groups a deposit may be requested to cover potential damage to turf. (See Grounds Use Fee section.)

### **Sponsorship or Co-sponsorship of Events by the City**

Community events officially sponsored by Park and Recreation require direct and active involvement by Park & Recreation staff in the planning, coordination, and actual presentation of the event. Events officially sponsored by City Council offices require direct and active involvement by the Council/Mayor and/or their staff. Community events officially sponsored by the City must be accompanied by a written confirmation from a City Council staff representative or the appropriate City department appointing authority.

### **Swimming Pools**

#### **Priority Use**

The following priorities for swimming pool use have been established:

- 1) Department staff conducted programs.
- 2) Public school districts sponsored teams or learn-to-swim programs (Swim season is Feb. 1 through May 31; Boys Water Polo season is Aug. 1 through Nov. 30; Girls Water Polo season is Nov. 15 through Feb. 28).
- 3) Non-season public school district or school sponsored teams. Non-profit (religious organizations, swim teams/clubs, water polo teams/clubs, etc.) and private groups (birthday parties, etc.). Proof of non-profit status will be required.
- 4) Profit groups, commercial groups and organizations. Includes non-public agency swim clubs.

#### **Cancellation Policy**

Exclusive rentals (special use permits) must be canceled in writing 14 calendar days prior to the event to receive full refunds. Monthly rentals must be canceled in writing 48 hours prior to the event to receive full refunds. Late cancellations will forfeit 25% of fees paid. Security, cleaning deposits, and insurance may be required, and will be determined by the pool manager.

There will be no refunds granted for swimming lessons unless canceled by City staff. A transfer or credit to another class may be permitted by the pool manager. Swimming lessons which fall on holidays will be rescheduled or pro-rated if the facility is not scheduled to be open on that date.

There will be no refunds granted for emergency closures due to fecal contamination. Patrons with paid facility admission receipts which must leave a pool due to such emergency will be issued a voucher for admission which is valid 1 year from the date of the incident. Insurance may be required for pool rentals.
